Dear Michele  
Good luck this summer.  
I had that we got to know  
each other this year. When we  
think that you will forget me, just think  
of all your friends we saw on the bus.  
Love-

After "driving slowly" through this school year, we can finally "stop" and look back upon all that has happened.

We "entered" Essex with excitement and nervousness, unsure about the new year. In time, though, we soon learned the "rules" and "regulations" that were to be followed. Respect arose from our "yielding" to other students' needs, and we soon "merged" into one class. "Falling grades" were found to be "hazardous to our health", while "unlawful" conduct led us through a "detour" to the principal's office. We all learned to respect other "women at work", and anxiously "sped" to join the many school activities.

Now we have reached the "end" of the school year. We will all choose many different roads to travel, but Essex is the one journey we have taken together.

## Principal

*Sister Ann  
Celentano, F.M.S.C.*

Essex Catholic Girls extend a hearty welcome to Sr. Ann Celentano F.M.S.C., their new principal. Sister brings her gifts of humor, warmth, innovativeness, and leadership to the very time consuming and demanding task of principalship. Her energy and enthusiasm are appreciated and we wish her many happy, productive years as Administrator of Essex Catholic Girls High School.

## Chaplain

*Rev. Charles  
McDermott*

Father McDermott serves as school chaplain and religion teacher. As such, he leads the student body in prayer and special liturgies. One outgrowth of his spiritual concern for the students and faculty of E.C.G. has been the establishing of the Emmanuel Chapel. All are invited to share in the Eucharistic liturgy periodically celebrated in the new chapel and are encouraged to stop by for a visit during their free time.

## Taurus

Taurus, The Bull, stands strong and determined. Taurians set goals for themselves and charge towards them—pushing obstacles that would have stopped others. Yes, they are confident and determined but don't let this exterior fool you. Inside they are vulnerable and uncertain about personal matters. Because of their sensitivity, they can hold a grudge, and when they are angry, it is best to stay out of their way. They are loyal friends, energetic, and enthusiastic. Taurians are the most materialistic of all signs!

Mrs. Marie Rogers

Miss Jeanne Skrobot

Sister Peggy McGaffney

## Aries

Aries, the first sign of the zodiac, is also the first to try new things, whether they be experiences or food! The Aries girl is naturally quick, with lots of bounce and energy. She can also be abrupt, frank, and outspoken. If she finds herself in a humdrum activity she can become grouchy and soon find something more challenging. But she is an excellent worker when she gets interested in a project—often working late into the night!

## Gemini

Gemini, The third of the spring signs, is enthusiastic, outgoing and responsive. Being the sign of the Twins, she is often pulled in two directions at the same time. As a result, she can sometimes confuse her friends, changing her opinions from time to time. She is very easily bored with work and relationships. She sometimes appears insensitive because of her directness with people. But don't be fooled. She is basically kind and cares deeply for people.

Miss Ann-Marie Rustia

## Libra

Do you know someone who is a constant talker but is also an attentive listener? Chances are this person is a Libra. The scales, her personal symbol, are constantly tipping to achieve a balance. Half the time she is sweet, calm, charming and perfectly balanced. The other time she is argumentative, restless, and confused—so the scales tip wildly!

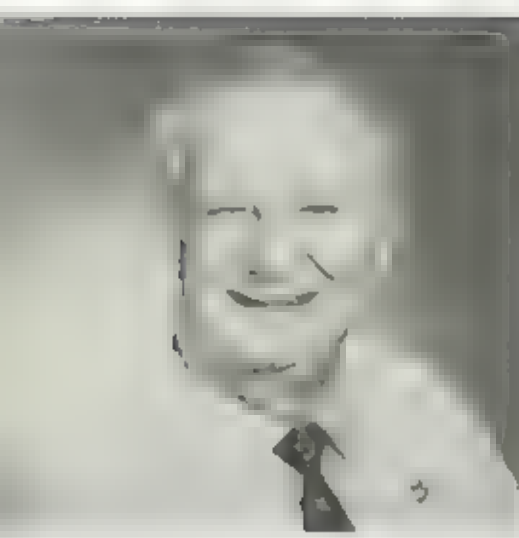

Mrs. Margaret Foester

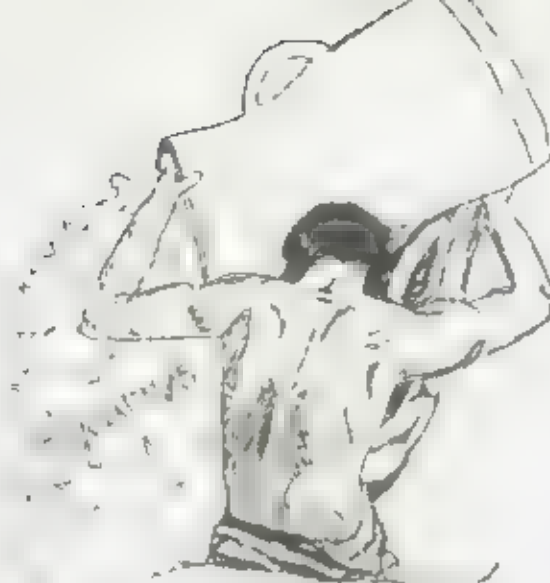

Miss Marian Farrell

## Pisces

Pisces has a loving nature which leads her to trust everyone. Unfortunately, this can leave her very vulnerable. At work or a party, the one in the corner who is listening to everyone's problems is probably a Pisces. Because she is so sensitive to others' sorrows, she can be taken advantage of by anyone with a good hard luck story. The most intuitive of all signs, Pisces often finds that troubled people are drawn to her because they will know she will understand. She is an excellent worker, and a sympathetic friend.

Mr. Anthony Baldassarre

Sister Regina Coll

## Aquarius

No matter what feelings the water bearer may be carrying in her pitcher, they are not likely to "spring a leak." Aquarians keep their emotions to themselves. They are independent and they love their freedom so that they can follow their sudden impulses and bursts of inspiration. They are also nonconformists with a style all their own. Although Aquarians are unconventional, they are not without friends. They enjoy crowds and people. Aquarians are charmers and lots of fun to be with. Their creativity and spontaneity make them anything but dull. So if you know an Aquarian, be prepared. You may find yourself in an adventure at any moment.

Mrs. Annie Rogers

Sister Mona O'Connell

Mrs. Jeanne Nugent

## Virgo

Virgo is noted for her sincerity and dependability, and has little patience for those who lack these qualities. If she says she'll be somewhere at a certain time, you may be sure she'll be there five minutes early just so she takes no chances on being late. But if others arrive later than promised, she won't come out and say she's annoyed, though you'll know she is. Because of Virgo's tendency to rarely let her feelings show, people often mistake her for being unfeeling. To those who know her well, however, she is anything but. Friends know they can count on Virgo when they're most in need. They get used to her endless questions because they know she has an insatiable curiosity to find out "what makes people tick."

Miss Mary Ellen Murphy

Ms. Beryl Stewart

Miss Susan Zika

## Capricorn

When the goat decides to scale the mountain to reach the top, you can be sure she'll move like a ballerina. Capricorn has the grace of a Southern Belle and the romantic temperament suited for life on the plantation. But don't be fooled, deep down she can be as passionate as Scarlet O'Hara kissing Rhett Butler in the parlor. Capricorns are also methodical in attaining their goals and they'll work hard to achieve success. The goat makes a great leader! She's good with a budget, and self-reliant as well. Sometimes it may seem like her head is in the clouds but her hoofs are planted firmly on the ground and her heart's as wide as the sky.

Mrs. Stanatina Argriantonis

Miss Judith Anne Gilberti

Miss Stephanie Paviakos

Mrs. Margarita Ruiz

Mrs. Angela Sasso

## Cancer

Cancer is known as the "Moon Child", the fourth sign of the Zodiac, and is very understanding and sympathetic. Knowing that, she's willing to work long and hard if the job is what she wants. Cancer never doubts that her true worth will be recognized and rewarded. The first of the summer signs, Cancer is extremely intuitive and psychic and has a sincere desire for harmony and peace. Her emotions can fluctuate. She makes an ideal friend, being very attuned to others' desires and problems. Cancer will do everything in her power to comfort and help her friends. She's a homelover who has a tendency to mother all the stray cats and dogs on the block!

Miss Therese E. Ghagan

Mrs. Mary Honrath

Miss Judy Matyo

## Sagittarius

It's not only the bull's eye these adventurous archers may aim for! They like to flirt and are not easily pinned down. They love their independence. Therefore they are rarely bored. They are also known for their sometimes embarrassing and blunt outbursts-they have an occasional lapse of tactfulness now and then. They are outgoing, sociable and truly ambitious.

Mr. Brian Bellog

Mr. Keith Carroll

Miss Linda Gwizdz

Sister Dosithea Sheehy

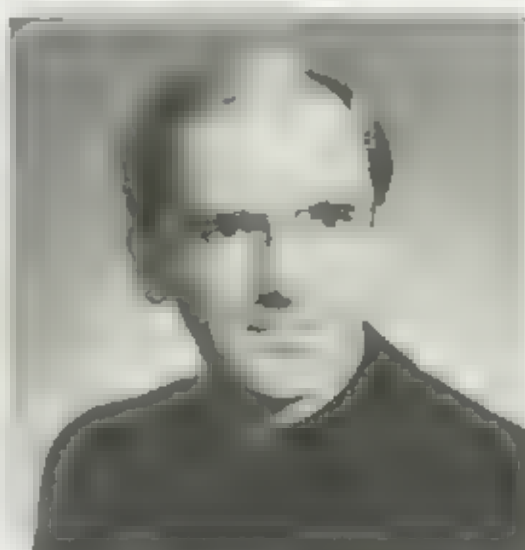

Sister Rita Francis Dowd O.P.

## Scorpio

Like the Scorpion itself, Scorpio's sting can be venomous and painful. However Scorpio's tell-it-like-it-is attitude actually makes them very worthwhile friends. They are loyal and will stay with you until the end. They are determined, self-confident, hardworking, and allow no obstacles to get in their way. Beware if they are your enemy. Scorpions can hold grudges, and eventually seek vengeance when you least expect. They have no problem with opposite sex either. Heads turn when a Scorpion walks into the room. They always have a mysterious luring air that is appealing. They strive for strength and ambition. They are not wishy-washy. Scorpions are also conservative in their clothes. Their best shades are maroon and burgundy. This suggestion is probably unnecessary since the Scorpions dress for themselves. Don't be dissuaded from pursuing a Scorpion's friendship, if they are on your side you are lucky.

At Essex, academic excellence is striven for by each student. Although the work is hard and requires much diligence, the teachers plan activities to make learning a little more fun. Many classes require much care and cautiousness such as CPR and Home Ec. Others challenge the physical prowess of students, as in Physical Ed., and every class challenges the "gray matter" of each student.

The Home Economics Department at Essex Catholic Girls, instructed by Miss Jude Gilberti has many educative yet fun filled activities planned throughout the year. Junior and Senior classes learn home-making skills such as menu-planning, and table setting that will be beneficial in future life. During a Junior cycle, child care was taught. The girls realized that bearing and raising children is a serious responsibility. As substitutes for infants, they decorated eggs to represent children and had to care for them during the cycle. Seniors learned about gourmet cooking so they could put a little spice in everyday life. Each of the classes have realized that care and caution must be used to run a household smoothly.

## National Honor Society

Election to the National Honor Society is a coveted privilege. The National Honor Society is a national organization based on academic excellence as well as outstanding character. Faculty members nominate and vote on candidates for the National Honor Society. Members must maintain academic excellence as well as set an example to the entire school in their conduct and leadership. Members raise money for their materials through a bake sale and tag dress-up days. Every member works actively in a tutoring program for students experiencing academic difficulty.

## Math League

The Math League is a group of superior math students who compete in the New Jersey Mathematics League. This competition consists of a battery of seven tests which are administered throughout the year. Individual high scorers are recognized through certificates and by being listed in the New Jersey Math League newsletter. Membership in the league affords an academic challenge and discipline as well as the opportunity for the students as well as the opportunity for the students to apply their knowledge of basic math principles. Miss Phalen moderates the Math League.

The production of a yearbook is truly a journalistic challenge. Members are appointed to the staff on the basis of their job applications. Staff selection is made in the spring of the year by Sr. Mona, the yearbook advisor, so that workshops can be attended and production begin. The yearbook is a senior project and totally financed by the senior class. To raise money, they solicit ads by means of an ad campaign, bake sales, dress up tag days, and yearbook sales. Without the dedication and self-sacrifice of staff members, the yearbook could never become a reality.

The Student Council links administration, faculty, and students. This link is exemplified in the Executive Board of Student Council which consists of four Student Council officers and four class presidents. Along with Miss Gilberti, Student Council Moderator, these officers form the backbone of all student activities conducted in the school. The election of Student Council officers took place last May after the candidates gave their speeches to the assembled student body. Elections were held in homerooms and the votes tabulated. Shortly afterwards, each class conducted election of officers on their respective levels. This was done by means of class meetings where hopeful candidates gave their speeches. Freshmen elections took place the following October so that they had time to get to know one another.

This year a new system for the electing a representative was introduced. Rather than electing a representative and alternate from each homeroom, reps and their alternates were elected on individual track levels in English. The rep's job is to report monthly to their English Class on the proceedings of the Student Council meetings.

Faculty class advisors attend each Student Council meeting and along with Student Council members co-ordinate all class activities.

## Literary Magazine

The Prelude is Essex Catholic's new literary magazine. It was created by and for Essex Students with the purpose of giving each individual an opportunity to share with her fellow students a small part of herself. Original poetry, prose, and artwork are compiled in the magazine, and all students are encouraged to submit work for publication, under the guidance of Miss Susan Zika. In music, a prelude is a short, introductory piece intended to prepare the listener for the main composition that is to follow. It is the hope of the staff that each edition of the Prelude will be just that: an introduction to each unique, forthcoming edition.

## Gospel Chorus

Under the direction of Sr. Peggy, the Gospel Chorus, a group of talented girls, volunteer to lead the student body in song at liturgies and prayer services. Members give their time both during activity period and after school. They work to develop and share their musical gifts. Pianist, Tracy Lawson, flutist, Sharlene Johnson, and guitarists, Sr. Peggy and Sr. Ann accompany the melodic voices of the Gospel Chorus. Oftentimes, soloists, such as Vicki Gaskins sing a Communion meditation. The Chorus is always looking for new members in hopes of increasing their volume and range.

## Service Club

The Service Club, under the moderation of Sr. Regina, strives to reach out to meet the needs of the surrounding community. Around Thanksgiving they conduct a canned food drive in school and elicit the support of faculty and students. Five food baskets complete with linens were delivered to needy families. Christmas found the members baking cookies for residents of a local Senior Citizen's building and the Jewish Federation. The last big project they engage in, is that of a Blood Drive which is held in early spring. Students who are of age, are encouraged to donating blood which is stored in a Red Cross Blood Bank and reserved

The Under 21 Club works together to raise money for Covenant House in New York City which is a place that houses run-away teenagers. This Under 21 Club is very active throughout the Newark Archdiocese because Newark is a stepping-stone to New York City, where night life thrives. Once a year the club invites a guest speaker from the Covenant House to address the student body on the history and tragedy of teenage run-aways and prostitution. On that day, the club sponsors a tag dress-up day and the money collected is forwarded to Fr. Bruce Ritter, Founder and Director of the Covenant House. Periodically, the group reads and discusses articles published in Covenant House News publication. It serves to heighten the girls' concerns for teenagers less fortunate than themselves.

## Search

The Search Club is formed primarily for those students who have attended a Search weekend at Don Bosco Retreat Center in Haverstraw, N.Y. Students organize and run the annual Lock Up, periodic Search reunions, prayer services and social action activities during Lent. Its members are dedicated to sharing the experience of their Search weekend with others. Sr. Peggy moderates Search.

Members are encouraged to try out for the annual school play.

They distribute such equipment as record players, film projectors, film strip projectors, opaque projectors, and overhead projectors. At the beginning of the school year, the members worked diligently on an inventory of the school's audio-visual equipment. Miss Mary Ellen Murphy directs club members.

## Intramurals

The Intramural program provides an opportunity for the students to be competitive in a relaxing fashion. The girls involved are not subjected to the strict discipline and training of a formal basketball team but they have the chance to compete informally on teams drawn up under the supervision of Miss Linda Gwardz and Mrs. Marie Rogers of the Physical Education Department. The teams enjoy playing basketball and volleyball in their free time after school.

Pep Club members pose stylishly in their new drill team uniforms. Their primary function is to generate enthusiasm and school spirit at the basketball games. Spectators look forward to the drill team's performance at half time. It is not surprising for many drill team members to come down with laryngitis after an exciting game. The team is inspired by their "peppy" moderator Miss Judie Gilbert.

# Notations

On April 29, 1983, at 8 p.m., with the help of all the junior class advisors, the first Essex Catholic Girls High School Junior Prom began.

Boland Hall was transformed into an elegant dreamland. Each girl and her escort arrived at the prom dressed stylishly. Upon entering the hall, each couple crossed over a bridge built by the girls themselves.

The theme of the prom "Up Where We Belong" rang through the halls for days on end. The theme was carried throughout the decorations. Helium-filled balloons hung from the streamer-covered gym ceiling. By the end of the night the balloons began to fall and created an enchanted scene of romance. The night was filled with fun, laughter, and dancing.

The fond memories of being the first class of Essex to have a junior prom and the introduction of our escorts to the faculty will remain with the Class of '84 always.

Essex Catholic Girls High School has a Junior Ring Ceremony each year which symbolizes the advancement of the Juniors into "senior order". This school year, it took place on November 22, 1983 at 7:30 p.m. in Boland Hall. The Ceremony was prepared by the Junior Class Officers with the help of their advisors. During the service, which was filled with much excitement and anticipation, the students sang their theme song, "The Greatest Love Of All". After their song, Beatrice Goun explained what the ring symbolized and the ring's meaning to the students. As the students received their rings, they were also given flowers that were purchased by the Sophomore Class for this special occasion. Following the ceremony, the Juniors and their families were invited by the Juniors' little sisters, the Freshman Class, to have refreshments in the cafeteria.

Student Council sets the pace for many school activities. The year began with festivities planned for Freshmen Orientation Day. Student Council members mingled among the incoming freshmen and were on hand to answer questions and be of assistance in guiding them to proper homerooms. The day culminated with a massive balloon launch which carried postcards inviting a response. Postcards reached as far as Long Island and Connecticut. December found the Student Council traditionally setting up and decorating the Christmas tree for the school lobby. Members of the Student Council baked and decorated Christmas cookies for the sisters at the convent. The surprise arrival of Santa Claus was another Student Council project, and students lined up in the vestibule to pose with Santa and have their photos taken. At the end of January, Student Council members gave up a Saturday morning to come to school to facilitate registration for incoming Freshmen for September of '84. The best is yet to come, for the Student Council has planned a fun-filled Student Council Week in March which will include such activities as a talent show, volleyball games, teacher appreciation day and hopefully, some co-educational activities with Essex Catholic Boys.

## ECG Students Are Academically Recognized

The Essex Catholic Girls National Honor Society belong to the Marian Chapter. Each year new members are notified of their membership through the traditional "tap-in" system. At an assembly, the members scatter among the seated student body and tap new members. The new members in turn elect their President, V. President, Treasurer, and Secretary.

The National Honor Society is noted for its tutoring program. Every member possesses the qualities of leadership, service, scholarship, and character, all of which are prerequisites of the club. Academically each NHS member is expected to maintain at least a B average.

# Hat Mania Strikes Again!

One of ECG's fun-filled activities is Freshmen-Junior Hat Day. On this day the Juniors bring in hats that they have created for their "little sister". All during the day, everywhere you look, whether in the halls, classrooms, on the stairs or in the cafeteria, one can spot the most bizarre millinery creations.

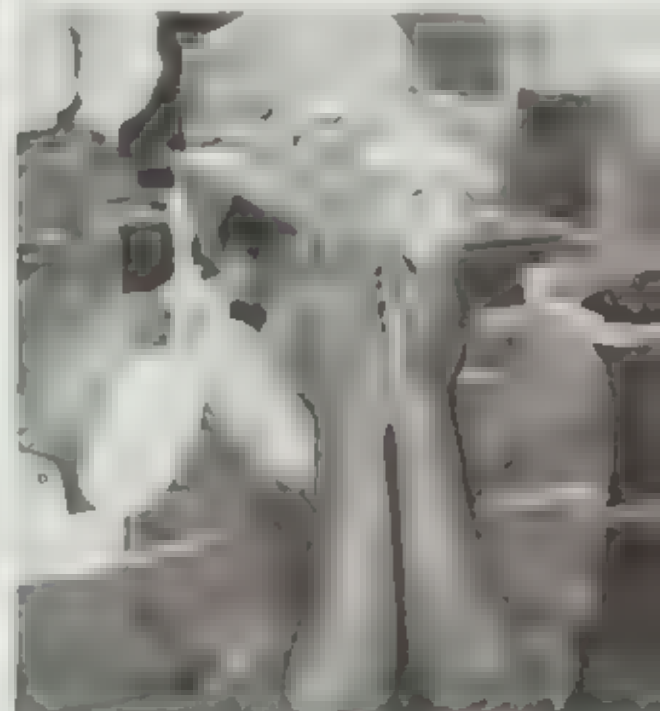

Although the freshmen are a bit reluctant to wear some of these monstrous apparels, they submit to peer pressure and, believe it or not, enjoy notoriety that is part and parcel of Freshmen Hat Day. Who knows??? Maybe one day one of these hats may become the latest fashion. So watch out Calvin Klein and Gloria Vanderbilt!

Why me?" cries Latonja Strong

"Gloria Vanderbilt, eat your heart out!" exclaims Dorothy Clark

The Crop Walk Prayer Corner

Every year the students of E.C.G. look forward to participation in the Crop Walk and the Lock Up, separate activities coordinated by Sr. Peggy and Search. The Crop Walk raises money for the hungry within local urban neighborhoods. In spite of unfavorable weather, the walkers marched onward raising ample funds for the poor. The Lock Up seeks to bring E.C.G. girls closer together. The girls camp out in Boland Hall for the night and listen to student talks on Christian values and engage in group activities directed towards achieving a closer union with God and each other.

The panel enjoyed sharing anecdotes and faith experiences of religious life and the Juniors found their insights very enlightening. The girls acknowledged that up until then, they didn't know very much about religious life and that they appreciated hearing about it from the panel.

**School liturgies take precedence.** Our educational school philosophy reflects a Christian philosophy of life. Recognizing that students and faculty alike, have responsibilities to God, others, and self; the school tries to provide opportunities for spiritual growth and time to reflect on Christian morals and beliefs. Part of the exposure to spiritual reflection and celebration have been the school liturgies and prayer services corresponding to the liturgical feasts of the church year. These celebrations are planned by students and members of the Religion Department, where students have been encouraged to be creative and reverent in expressing faith experiences. As an outgrowth of this encouragement, the E.C.G. student body witnessed, for the first time at E.C.G., a reverential Offertory dance choreographed by Sr. Peggy and the seniors for the Christmas liturgy. Religious celebrations such as these, will always be an integral part of the curriculum

# Special Assemblies School And Entertain E.C.G. Students

This year, a suggestion was given regarding the planning and production of school assemblies. With the recommendation of the Student Activities Committee, each academic department in the school was asked to prepare some type of academic assembly. The English Dept. hosted a spelling contest under the direction of Mrs. Nugent and Sr. Rita Francis. The Science Dept., with the planning of Miss Skrobot, presented an Energy Conservationist who spell-bound the audience with his multimedia presentation. Miss Murphy and the Social Studies Dept., worked with the Public Speaking Club to prepare a program in recognition of Black History month. Professor Gunther of Essex County College, an expert in Black History, gave the keynote address. Members of the Public Speaking Club read excerpts of Martin Luther King's speeches and a black poet's poem. The Religion Dept., in conjunction with Under 21 Club, annually invites a speaker from Covenant House to share the life experiences of run-away teenagers with the girls. In the spring, the English Dept. looks forward to welcoming Miss Mary Louise Hickey, who captivates her audiences with dramatic and comic monologues. Our successful assemblies attest that E.C.G. strives to keep up with the times.

Sophomore Home Ec. students prepared a Faculty Christmas Wassail which provided an excellent opportunity for faculty and students to relax and mingle. At the end of the wassail, the teachers were presented with the recipes of the scrumptious hot and cold hors d'oeuvres the girls served. The Wassail was a great undertaking as every bit of cooking and table setting was done by the students. Judging from its success, it will be a welcome tradition for E.C.G.

On Thursday, March 24, 1983, E.C.G. held its annual Career Day under the supervision and direction of the Guidance Dept. Students from the Freshmen, Sophomore, and Junior classes visited with representatives from various occupations to learn more about careers for which they expressed a preference. Each presentation was followed by a short question and answer period. The highlight of the day was an inspirational speech given by the Essex County Prosecutor, George L. Schneider. Schneider told the attentive audience of E.C.G. students that they should always strive for excellence no matter what the odds may be.

Essex Catholic Girls has an active recruitment program under the leadership of Mrs. Ange, Sasso. During the months of September through November, Mrs. Sasso and student members on the Recruitment Committee, visit eighth graders in the Archdiocese of Newark and local public school districts. A highlight of the recruitment program was an Open House here at E.C.G. Some 200 perspective students toured the facilities

Miss Ghegan spoke to the group about curriculum and that was followed by a science and physical education demonstration. A ten minute mini-course was conducted by the Religion, English, History and Math Departments, followed by refreshments in the cafeteria. Each eighth grade student was given a 'Catch that Essex Spirit' button as a memento of their visit.

The annual school musical ranks highly as being one of the best opportunities to engender and foster school spirit. This year's performance of *Godspell* touched the hearts and minds of the audience as they applauded the excellent performance of cast members chosen from the student body at E.C.G. and surrounding neighborhoods. The performances were scheduled for April 5-8 with a special Senior Citizen matinee. The play was directed by M. Joseph Marinella, a long-time director of the school musicals. Mr. Brian Bellog, an E.C.G. faculty member, produced the musical which was choreographed by Mrs. Sandra Marfusky. Mrs. Jane Marinella, the director's wife, played the musical scores

The success of the Pep Rally was due to the enthusiasm of the entire student body. The cheerleaders, Pep Squad, and Student Council under the direction of Miss Gilberti helped organize this annual event on Dec. 21, 1983. ## *E.C.G. Cheerleaders Strive For Excellence*

Each year the Cheerleading Squad surprises the student body with new, innovative cheers. Favorites this year were the "Pop, Pop, Fizz, Fizz" and the "Show Us What You've Got" cheers. Under the enthusiastic leadership of Miss Judie Gilberti, the squad prepared for the basketball season by attending a Cheerleading Clinic at Jersey City State College on Nov. 27, 1983. This event, sponsored by the American Cheerleading Techniques Inc., schooled the girls in sideline and floor cheers, partner stunts, and mounting.

High scorer Yvette Miller breaks away to sink another basket

Essex Catholic Girls opened its basketball season with a pep rally and a victorious home game against Mount Saint Dominic Academy. The Blue Jay team was cheered on by spirited cheerleaders, Pep Club members, and loyal fans, who were "psyched up" by the pep rally. The entire game was "nip and tuck" and it wasn't until the last 18 seconds of the game that the Essex Catholic Girls' Blue Jays edged ahead, by a score of 56 to 55.

Since that first traumatic game the Blue Jays have won 8 games and lost 1. High scorer Yvette Miller has averaged 12 to 15 points a game with the aid of her fellow Blue Jays.

The team, under the expert leadership of Miss Linda Gwizdz and Miss Susan Zika are aiming for the championship in their division

## Bowling

The 1983-84 Bowling Team of Essex Catholic Girls has competed at Belleclare Lanes in Bloomfield, N.J. They have had a rewarding season this year with the expert assistance of Mr. Bellog and Miss Zika. The members of the team have been able to improve their skills through practice sessions and competitions with other schools in the region. With the help of Jeanette Thompson, they were able to win their bowling tournament. Jeanette scored a 256 in the last tournament game. This score was the highest in the tournament, which placed Jeanette above male and female competitors. E.C.G. proudly recognizes Jeanette and wishes the entire team continued success as members of the North Jersey Conference.

Because of league regulations, the softball team is not picked until the beginning of March, thus making it difficult to photograph the team in action. The girls pictured on this page are members of the 1983 softball team which had a lukewarm season due to inclement weather, which forced cancellations. Hopefully mother-nature will favor the 1984 team with better weather so that the team can exhibit their true athletic ability.

# Observations

### **My Fellow Staff Members and Classmates:**

In this book we have attempted to summarize our moments of pleasure and growth of our years at Essex Catholic Girls. The future is definitely unpredictable. It would be wonderful to be able to know what will happen, how, and when, but that is wishful thinking. Among all our future successes and failures, there will be moments where we will want to look back and remember our past. That is when we will pick up this book and recall our memories of E C G. That is when we will recognize the value of our yearbook.

**Best Wishes for Future Happiness,  
Marie Gouin**

You have touched our lives in a special way and we want you to know how special you are to us. Keep up the good work and we know you will become that lawyer you so want to be.

To our baby Wendy.

There are no words to describe what you mean to us. We loved you even before you came into being. We have been proud of you just because you're you. We wish you the finest things that life has to offer, although we know you won't settle for second best of anything. After all, you're our daughter.

Love you,  
Mommy and Daddy

Wendy.

We have watched you grow before our eyes from a tiny tot to a mature, responsible young lady. You have been a treasure to us since day one

May you continue to achieve all that you desire and always remember that we're proud of you and we love you  
Grandma and Pop

Wendy.

Because we are sisters, there is no value that can be placed on our friendship. A sisterhood like ours is a treasure in itself. We have learned and shared many things in life and now it is time for you to move on.. And while I don't say this every day, I love you very much Wendy!

Good luck and much success.  
Love,  
Carla

Jennifer,

Before you came into my life my feelings were in a chaotic state, for I did not know what it meant to love. Since the day we met to the present, I have never felt such an intense feeling of devotion, caring and fondness as I feel for you. You are a very special young lady, a lady in every sense of the word and I truly respect you. I wish you all the best in your future and I hope you will continue to grow deeper.

I'll love you always,

Dear B'nai,

All gone, the days when you  
were small.  
How quickly time has flown,  
my child;  
Summers, winter, spring and fall

If we could just return, my child,  
To days you sat upon my knee  
Oh, how my heart does yearn,  
my child,  
Your dimpled smile again to see.

But you are now a graduate, my child,  
No longer mine to cuddle tight.  
You have a different life,  
my child;  
But keep me in your sight

It may not always show,  
my child,  
The love I hold so deep within.

Will always be,

FOR MY DEAREST FRIENDS,

### A PSALM OF LIFE

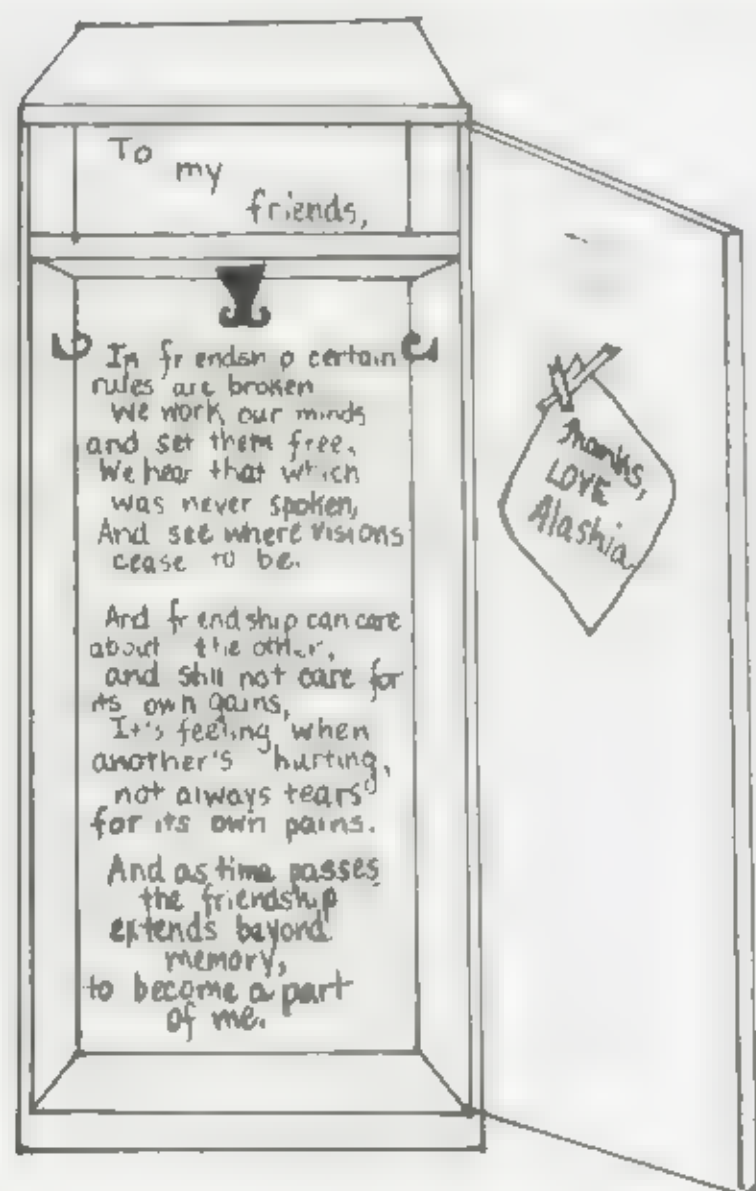

Lives of great men all remind us  
 We can make our lives sublime,  
 And, departing, leave behind us  
 Footprints on the sands of time;

Footprints, that perhaps another,  
 Sailing o'er life's solemn main,  
 A forlorn and shipwrecked brother,  
 Seeing, shall take heart again.

Let us, then, be up and doing,  
 With a heart for any fate,  
 Still achieving, still pursuing,  
 Learn to labor and to wait.

To my granddaughter Monica.

God has equipped us for our life's journey.  
He has not left us unsupported in our battles.

We may feel at times that we are alone and  
unprotected, but this is never true. He is al-  
ways with us no matter what our situation,  
and His resources are ours if we would trust  
His leadings.

Love you,  
Grandma Mary

DEAREST JULIANE.

When in disgrace with fortune and men's eyes,  
I all alone beweepe my outcast state,  
And trouble deaf Heaven with my bootless cries,  
And look upon myself, and curse my fate,  
Wishing me like to one more rich in hope,  
Featur'd like him, like him with friends possess'd,  
Desiring this man's art, and that man's scope,  
With what I most enjoy contented least;  
Yet in these thoughts myself almost despising,  
Haply I think on thee,-and then my state  
(Like to the lark at break of day arising  
From sullen earth) sings hymns at heaven's gate;  
For thy sweet love remember'd such wealth brings.  
That when I scorn to change my state with kings.

Today we'll start a new life we'll say our last good-byes,  
To all the friends we've grown to love, with whom we've laughed and cried.  
Remember the fun and laughter, the problems and the fears  
And watching all our memories grow throughout our high school years.  
The memories of the dances and friends that we have met,  
Vacations, teachers, talking, and exams we'd rather forget.  
Yes, high school years are precious but brief, where did your dreams come true;  
It is not the end,  
But the beginning of a life we'll start anew.

Dear Amanda,

Please add our warmest congratulations to the large chorus of friends acclaiming your graduation. We are sure you will conquer the world of college life with the same ease and charm as you did the High school world.

Love,

Mommy and Daddy,

I would like to thank you for having faith and believing in me. Without the both of you, I would not have been able to achieve what I have achieved.

I know there is still a long way to go in this thing called life, but I know that I shall have you both to encourage me in whatever I do.

I love you.  
Sharlene

Crystal,

Whenever we need a friend  
You always seem to be there.  
You've helped us with our problems,  
And our joys together we share.  
We can't imagine life  
Without a friend like you.  
Once we get together  
We are an invisible four!  
All the fun we've shared with you  
Can never be replaced.  
Together we've had many good times,  
And conquered the problems  
We've had to face.  
So we want you to know  
That we are always here,  
To make your thoughts clear.  
And when we must leave you,  
As many good friends sometimes part,  
We leave you with good memories  
And an important place in our hearts.

What I feel - I can't say-  
But my love is there for you

But if it's not love-that you need-  
Then I'll try my best to make everything

And tell me, what is my life

Who am I without you, by my side?

There are little eyes upon you and they're watching  
night and day,  
There are little ears that quickly take in every  
word you say,  
There are little hands all eager to do anything you do  
And a little girl who's dreaming of the day she'll  
be like you  
You're the little girl's idol  
You're the wisest of the wise,  
In her little mind about you no suspicions ever rise;  
She believes in you devoutly,  
Holds that all you say and do, She will say  
and do in your way,  
when she's grown-up like you  
There's a wide-eyed little girl who believes  
you're always right  
And her ears always open; and she watches day and night,  
You are setting an example every day in all you do,  
For the little girl who's waiting to grow up to be like you
